

Navigators Discipleship Tool

Mapping out our spiritual family trees is a powerful experience. It reminds us to be grateful for those who planted and watered the seeds of faith in our lives. It also reminds us that we are called to bear fruit in the lives of others by inviting them to know Christ, make Him known and help others do the same (John 15:16).

YOUR SPIRITUAL FAMILY TREE

Follow These Steps:

- 1. Your Roots.** Thank God for those He placed in your life to help you grow spiritually. Include their names in the boxes below yours.
- 2. Your Fruit.** In the boxes flowing from yours, capture the names of anyone you've already helped grow in Christ. Feel free to add more boxes!
- 3. Their Fruit.** Connect with those you've invested in and ask whom they've gone on to help grow in Christ. Include them on the tree and pray for their perseverance in following Jesus.
- 4. Who Else?** Pray for God to reveal who else He is calling you to add to your spiritual family tree through Life-to-Life® discipleship.

We're here to help along the way!
